1. Reference your request for a monthly report regarding the assignments completed by representatives of the Security Support Division entailing travel outside of the continental limits of the United States, together with information regarding air miles flown.
2. During May 1955 the Security Support Division completed three (3) overseas escort missions. Two of these missions involved travel to Europe. The other mission involved travel to the Far East. These assignments entailed 39,047 miles of actual flight and 162 hours 29 minutes in the air. Four (4) agents of the Security Support Division took part in these missions.
3. Reference is made to the April report, wherein it was advised that April assignments entailed 34,880 miles of actual flight and 140 hours 45 minutes in the air. This information was based in part on estimated data and is hereby corrected to actual data as follows: 34,682 miles and 141 hours 10 minutes.
